## Lights On Rice

Friday, December 5, 2008

Merry Christmas!!!

Thank you for parading with us.

To help keep the spirits high, please....

- FOLLOW the instructions of Santa's Helpers.
- COMPLETE your decorations BEFORE you line up at the stadium.
- Light up EVERYTHING and EVERYONE.
- PASS out candies and goodies, HAND TO HAND.  
(Nothing in the air, becomes missiles..... ouch !!!)
- Put everyone on the float at the stadium.  
(Loading and jumping off in the parade is dangerous.)
- Parade ENDS at the County Building Parking lot.  
Riders disembark there.

### PARADE DRIVERS -

PACE your self, keep the parade FLOWING.....  
Follow the INSTUCTIONS of SANTA's helpers.

- Spacing ..... Give the entry in FRONT of you ONE LARGE truck length.  
(If you sit on their tail, no one can appreciate the front of your float.)  
(If the gap is too long, the natives get restless.....)

END OF PARADE is at the state/county parking lot.

- EVERYONE turns RIGHT into the parking lot except the big rigs.  
Parking and staying? SANTA's helpers will tell you where to park.  
Unloading and Leaving? Follow SANTA's helper's directions...  
Pull to the SIDE to unload,... do not block the flow of floats,...  
Drive STRAIGHT THROUGH the parking lot, exit to UMI St.

THANK YOU again for being patient with the VOLUNTEERS.  
Please, DON'T CHANGE THE RULES.

Our goal..... a SAFE, HAPPY, Fun Filled LIGHTED EVENT for all.

PLEEEEEAAASSE clean up after yourselves.
